[New Product]

⌚ My orders

€ My prices

oculars My stock items.

We are pleased to introduce „Hermes Connect“ to you. This new online service portal provides you with all the relevant information and documents for your orders with us in a simple and clear manner.

An overview of grinding tools in stock and available at short notice rounds off this free service offer for you - around the clock, updated daily and with your individual pricing.

ALWAYS UP TO DATE

In the **“My Orders”** module, you not only have the option of viewing the current statuses (incl. Track&Trace) of your orders, but also your order history from the last four years. You have access to all digital order documents at any time, such as order confirmation, delivery bill, invoice and delivery confirmation..

More advantages:

- Order information and documents at a glance
- Data transmission twice a day

LATEST STOCK

In the module **“My stock items”** you can see which products can be delivered from our finished goods warehouse. For you, this means that orders placed by 2 p.m. will be shipped on the same day. At the same time, you have insight into the stock situation and readiness for delivery of all stock items. This simplifies your planning and improves tool availability.

More advantages:

- Daily stock situation
- Simple product search via your own or the Hermes material number or via full text searches

PRICES CUSTOMIZED

Especially in the **“My prices”** module, but also in the other modules, your very individual prices are displayed. It could not be faster and easier.

More advantages:

- Simple price queries via your own or the Hermes material number or via the description of the grinding tool
- Always up-to-date price information - agreed price changes are immediately visible

JUST REGISTER - CALL US

Simply notify your Hermes field service or office staff of your registration request by phone or e-mail. All we need from you for your registration is a valid e-mail address, a contact person in your company and, if available and handy, your customer number with us.

The international roll-out of Hermes Connect will start shortly.
