

for an excellent finish

Belts, file grinder: webrax-AN 701 flex

Powerful and flexible non-woven file grinder belts

Product benefits

- Very long tool life with consistent high quality grinding results
- Extremely robust construction suitable for high pressure and high load applications
- Highly adaptive to intricate contours and radii
- Excellent price-performance ratio

Applications

Tank and vessel construction:

- Cleaning of weld seams with powerfile belts
- Weld seam finishing with powerfile belts

Product design

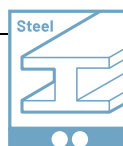

Type:	webrax-AN 701 flex
Grain:	Aluminum oxide
Bonding:	Synthetic resin
Backing:	Non-woven, cloth-reinforced
Coating:	-
Grit range:	+ 80/100/180/280

Stock programme Belts, file grinder: webrax-AN 701 flex
