

for an excellent finish

Belts, wide: CB 115

High-performance, very strong, antistatic paper wide belt for heavy-duty applications

Product benefits

- High economic efficiency when sanding solid wood and veneered panels
- Constant high surface quality over the entire tool life
- High stock removal rates
- Antistatic equipment prevents premature clogging with sanding dust
- Especially suitable for sanding hardwoods (maple, birch, beech, oak, ash, cherry, walnut, red elder, elm, tropical hardwoods).

Applications

Furniture:

- Fine sanding of furniture parts before coating on stationary sanding machines
