

for an excellent finish

Belts, wide: CERAMIT CR 116

Very strong, antistatic high-performance paper wide belts with ceramic grain for high loads

Product benefits

- Hard and sharp ceramic abrasive grit ensures high stock removal rates and long tool life
- Low grinding temperatures against surface changes during grinding
- Especially suitable for grinding stainless steel and high-alloy steel
- Especially suitable for sanding hardwoods (maple, birch, beech, oak, ash, cherry, walnut, red elder, elm, tropical hardwoods).

Applications

Sheets, plates, coils:

- Finish of stainless steel sheets/coils

Furniture:

- Machine calibration sanding of solid wood panels
- Machine-based calibrating of furniture parts before coating

Product design
