

for an excellent finish

Belts, wide: HERMESIT RB 530 X

Extremely economical, medium-flexible cloth abrasive belts with HERMESIT aluminum oxide abrasive grit

Product benefits

- Three-dimensional HERMESIT hollow sphere grit structure extends tool life by 3-5 times, thereby increasing cost-effectiveness and productivity compared to conventional grinding tools (shorter machine setup times, lower costs for materials and disposal)
- Produces unique HERMESIT finishes with silk matte HERMESIT gloss effect
- High process stability due to uniform roughness values and stock removal rate for the entire duration of usage
- Especially suitable for applications with low grinding pressure
- Especially suitable for dry grinding of stainless steel
- Unsegmented wide belts up to 1600 mm in width available

Applications

Sheets, plates, coils:

- Finish of stainless steel sheets/coils

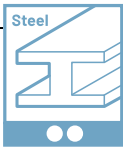

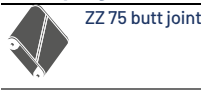

Product design
