

for an excellent finish

Belts, wide: MERCURIT RB 590 Y

Extremely economical cloth wide belts with MERCURIT aluminum oxide agglomerates

Product benefits

- Three-dimensional MERCURIT grit agglomerate structure extends tool life by 3-5 times, thereby increasing cost-effectiveness and productivity compared to conventional grinding tools (shorter machine setup times, lower costs for materials and disposal)
- High process stability due to uniform roughness values and stock removal rate for the entire duration of usage
- Especially suitable for wet grinding applications with medium to high grinding pressure

Applications

Sheets, plates, coils:

- Finish of stainless steel sheets/coils
- Surface conditioning of stainless steel sheets/coils
