

for an excellent finish

Belts, wide: RB 484 44 Z

High-performance rigid zirconia alumina cloth wide belts

Product benefits

- High tear resistant, low stretch and waterproof polyester backing
- Tough zirconia alumina grain ensures high stock removal rates and long tool life
- Especially suitable for dry grinding of stainless steel
- For universal applications: dry and wet (water-, emulsion- and oil-resistant)

Applications

Sheets, plates, coils:

- Rough grinding of coils, stainless steel plates and high-alloy steels

Manual or robotic metalworking:

- Removal of burrs and sharp edges

Furniture:

- Machine calibration sanding of solid wood panels
- Machine-based calibrating of furniture parts before coating

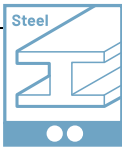

Product design

Type:	RB 484 44 Z
Grain:	Zirconium aluminum oxide
Bonding:	Synthetic resin
Backing:	Z cloth
Coating:	Closed
Grit range:	+ 24/36/40/50/60/80/100/120

for an excellent finish

Stock programme Belts, wide: RB 484 44 Z
