

for an excellent finish

Discs, Fastlock: CERAMIT CR 456 Z

High-performance cloth-backed disc with ceramic grain, heat-reducing coating and Fastlock system

Product benefits

- High productivity and economic efficiency
- Hard and sharp ceramic abrasive grit ensures high stock removal rates and long tool life
- High tear resistant, low stretch and waterproof polyester backing
- Low grinding temperatures and longer tool life due to additional Procut coating

Applications

General:

- Punctual processing of a wide variety of metal surfaces in hard-to-reach areas
