

for an excellent finish

Discs, Fastlock: webrax-AN 701 50

Powerful, cloth-reinforced non-woven discs with aluminum oxide grain and Fastlock system

Product benefits

- Silk matte glossy metal finishes due to aluminum oxide abrasive grit
- Low clogging behavior
- For universal applications: dry and wet (water-, emulsion- and oil-resistant)
- Does not break through auto body parts when sanding
- Good Velcro adhesion for stable clamping setup

Applications

Automotive body shop:

- Defect grinding with Fastlock discs on angle grinders

General:

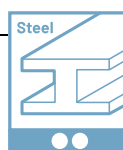

- Punctual processing of a wide variety of metal surfaces in hard-to-reach areas

Product design

Type:	webrax-AN 701 50
Grain:	Aluminum oxide
Bonding:	Resin
Backing:	Non-woven web, reinforced with cloth
Coating:	-
Grit range:	+ 80/100/180/280/800
