

for an excellent finish

Discs: webrax-AN 701 50

Powerful, cloth-reinforced non-woven discs with aluminum oxide grain

Product benefits

- Silk matte glossy metal finishes due to aluminum oxide abrasive grit
- Low clogging behavior
- For universal applications: dry and wet (water-, emulsion- and oil-resistant)
- Does not break through auto body parts when sanding
- Good Velcro adhesion for stable clamping setup

Applications

Automotive body shop:

- Manual defect grinding of surfaces

Tank and vessel construction:

- Grinding out small surface defects and finishing

Metal working:

- Weld seam and surface defect grinding with angle grinders

Product design

Type:	webrax-AN 701 50
Grain:	Aluminum oxide
Bonding:	Resin
Backing:	Non-woven web, reinforced with cloth
Coating:	-
Grit range:	+ 80/100/180/280/800
