

for an excellent finish

# Triangles: VC 154-Longlife, velour-backed

**Light and velour-backed aluminum oxide abrasive triangles with anti-clogging coating for general woodworking and paint shop applications**

## Product benefits

- Low clogging behavior
- Very good adaptability to contours
- High process stability due to uniform roughness values and stock removal rate for the entire duration of usage
- Further advantages when using discs with MULTIHOLE dust extraction system: Longer service life compared to discs with conventional dust extraction system and significantly better surface quality due to dust extraction over the entire surface.
- Optimum dust extraction, especially when using MULTIHOLE discs
- Combination of MULTIHOLE disc and MULTIFLOW pad with better price/performance ratio compared to similar net abrasives

## Applications

### General:

- Universal use in hand sanding of wood, filler, lacquer and primer in hard-to-reach places

## Product design

Type:	VC 154-Longlife, velour-backed
Grain:	Aluminum oxide
Bonding:	Synthetic resin, Longlife
Backing:	B-paper, velour-backed
Coating:	Half open
Grit range:	P 80/100/120/150/180/220/240/ 280/320/360/400/500/600/800 /1000/1200/1500

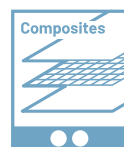

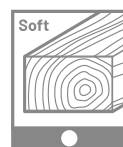

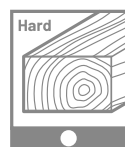

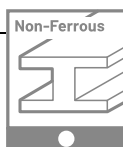

## Stock programme Triangles: VC 154-Longlife, velour-backed

Triangular, perforated 6 x / Ø 52 mm  
**3 15/32" x 3 21/32" mm**

Triangular, 2 x 3 side holes / 1 front hole  
**3 7/8" x 5 25/32" mm**  
**99 x 147 mm**
